

## Study Guide

December 3, 2018

**Monday December 3rd** (I took time to pray today )

**Read: Luke 21:25-36** This Scripture reminds us that at some point an end will be coming. It reminds us to be looking for the signs but also to be ready because we never know when our end is near or Jesus may come again. As one commentary says "May we begin, employ and conclude each day attending to Christ's word, obeying His precepts, and following His example, that whenever He comes we may be found watching."

**Question:** Are you constantly looking for signs of where God is moving? Do you even care about this? Have you given any thought to where you would go should the world end tomorrow? Do you even care about this?

**Tuesday December 4th** (I took time to pray today )

**Read: Acts 2:22** From this Scripture we are told that Jesus was sent by God to do miracles, signs and wonders. There is debate as to whether this still occurs today. But how will we know if we don't look for the signs ourselves?

**Question:** Do you believe Jesus is still doing miracles today? Does this encourage you to be looking around for the signs and wonders that Jesus is doing today? Do you even want to be open to Jesus using you to bring about signs and wonders today?

**Wednesday December 5th** (I took time to pray today )

**Read: Acts 14:3** Here we learn that Paul and Barnabas were used by God to confirm the message of His grace by allowing them to do miraculous signs and wonders.

**Question:** Are you convinced that God desires to use His followers to show others who He is by allowing us to do signs and wonders? Now are you open to being used by Jesus to proclaim the message of grace through signs and wonders?

**Thursday December 6th** (I took time to pray today )

**Read: 2 Corinthians 12:2** Here Paul shares of his own experience of being taken to a place not of this earth and experienced something wonderful (paradise, v.4) This is a reminder that we should enlarge our expectations of how we may witness what God is doing.

**Question:** Are you fearful of God revealing Himself to you in ways that are different from your understanding? Will you allow God to reveal Himself in any way He desires? Can you let go of your comfort level and allow God to increase it?

**Friday December 7th** (I took time to pray today )

**Read: Mark 16:17** As believers, we will be accompanied by signs and wonders. Mentioned in this verse are driving out demons and speaking in new tongues. If you read further, you will see more of what will accompany us as believers.

**Question:** How do you feel about signs and wonders accompanying you as a believer? Does driving out demons take you out of your comfort level? Are you willing to be open to whatever God has for you?
