Monday December 10th (I took time to pray today)

Read: Luke 3:1-6 A great reminder Scripture that John the Baptist came before Jesus preaching about repentance. Luke reminds us about John to prepare us for the One who is to come.

Question: Do you believe that repentance is an important part of preparing yourself for Jesus? Do you think you have a need to prepare Yourself for Jesus even today? How will you prepare yourself for Jesus this Christmas season?

Tuesday December 11th (I took time to pray today)

Read: Hebrews 4:12 What a great reminder that God's word is living and active today. Many think that God's word no longer carries any power or influence. But if you remind Yourself that it is living and active and sharper than any double edged sword, it will carry truth for you when you read it.

Question: Do you spend enough time in God's word allowing it to penetrate you? Are you willing to change the amount of time you spend in the Word if you are not making this part of your daily routine? Do you believe that spending time in His Word will increase your desire to spend more time with the Father? If yes, will you change how you make this part of your Life?

Wednesday December 12th (I took time to pray today)

Read: 2 Timothy 3:16-17 Another Scripture reminding us what God's word does for us. It says it equips us for every good work. It also is useful for teaching, rebuking, correcting and training.

Question: Are you convinced yet of the importance of knowing God's word? Will you commit to spending time in His Word daily?

Thursday December 13th (I took time to pray today)

Read: James 1:22 This Scripture is very clear. We are not to only listen to God's word (which we do on a Sunday morning) but we are also to do what it says. It is saying that we deceive ourselves if we only hear it.

Question: How will we be able to do what God's Word says if you don't read it and study it on your own? Do you realize that there is more to God's word than what we hear on a Sunday morning? Have you made a commitment to be more faithful to reading God's word on a daily basis?

Friday December 14th (I took time to pray today)

Read: Psalm 119:105 The last reminder of what God's Word does. Here we learn that His word is a lamp to our feet and a light for our path. This means that it helps us know where we are going and illuminates the path that God has placed us on.

Question: Are you struggling with where you are going? Are you willing to allow God's word to direct you and to light up the way for you? Do you believe that God's Word will also speak to you when confusion becomes a part of your life?
