DISCOVERY QUESTIONS

- ***God expects me to bring people to Jesus***

Build a bridge to people in your life by finding something in common with them. Make a list in the spaces below of five activities you personally enjoy doing. Then write the names of the acquaintances who do not know the Lord, whom you could invite to do the activities with you.

Activities (hobbies, sports, work, kids, clubs, dining out, etc.)	People to invite (friends, family, co-workers, teammates, etc.)

Now select one of those activities and make a plan to invite these people you listed to an activity with you. As you get to know them better, look for opportunities to share the love of Christ with them.

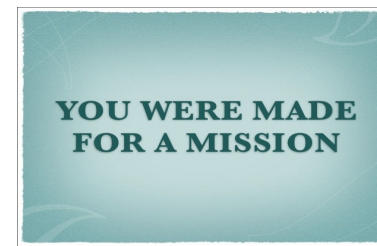

Read the following verse together: *“Be wise in the way you act toward outsiders, make the most of every opportunity. Let your conversation be always full of grace, seasoned with salt, so that you may know how to answer everyone”*. Colossians 4:5-6

- What principals and ideas can you learn from this verse in relationship to the people you had on your list?
